

Cordata Family Dentist Office Policy

Welcome

Thank you for choosing Cordata Family Dentist for your dental health care provider. We are committed to making your visit pleasant and enjoyable while providing you the highest quality dental care. We feel that it is very important that our patients have a clear understanding of our expectations regarding appointments, insurance, billing, and payment and we have included this information for you to review prior to your appointment. Please feel free to ask any questions that you may have; communication about your oral health goals and how we can help you achieve them is important to us. We ask that each patient read and sign the following agreements prior to treatment.
